Dear Parent/Guardian:

In October, our community was notified about Supplemental Educational Services (SES) provided through the *No Child Left Behind Act*. As a parent of an eligible student, you **still** have the option of requesting these services and choosing the supplemental service provider you want for your child.

Please take a moment to review the updated service provider listed below. Please feel free to contact the providers if you have any questions about their hours, location and/or services. Once you choose a provider, please complete the bottom of this letter, detach, and return it to the Middle School Main Office. **At this time, you should contact the provider directly to arrange for the SES tutoring.** If you have any questions, please contact the main office at the number listed above.

Sincerely,

Larry T. Penny, Principal
