

May 22, 2012

Dear Parent and Guardians.

Today at the Burlington Township Middle School at Springside we conducted a brief lockdown in the morning, in order to conduct a random drug search. The Burlington County Canine unit conducted the search, and police officers from the Burlington Township Police Department assisted us in the lockdown. Students remained in classes, and instruction continued. There was no threat to student or staff safety at any time.

Sincerely,

Larry Penny
Principal

L. Sivon
Vice Principal

Regina Haley
